DIABETES EDUCATION* SERVICES

Diabetes education is a covered Medicare benefit, and is covered by most private insurance plans. Our staff can help you determine what services your health care plan will cover.

Learn easy ways to take control of your life and your diabetes from our expert staff of Certified Diabetes Educators.

Outpatient Diabetes Education Services include:

- Individual and group classes
- Medical and Nutrition advice based on your individual needs
- Blood glucose monitoring education
- Insulin pump education
- Continuous glucose sensor education

St. Joseph Hospital offers convenient parking, and both day and evening appointments are available.

DIABETES SUPPORT GROUP

This free monthly support group provides emotional support, continuing education and the exchange of helpful hints, (such as meal planning, exercise and blood glucose monitoring etc.). It is led by Certified Diabetes Educators and provides an environment for education and peer support. Patients living with diabetes and their family members are welcome to join us.

The Diabetes Support Group meets the third Wednesday of each month from 1:00 p.m.-2:00 p.m.
